

Team Penning Series

Team penning is a western equestrian sport that evolved from the common ranch work of separating cattle into pens for branding, doctoring, or transport. Today it is a fast-paced event that gives a team of three riders on horseback 60 seconds to separate three specifically identified cattle from a herd of 30, and put them into a 20' x 24' pen through a 10' opening, at the opposite end of the arena

Open Team Penning is open to everyone!
You do not need to be a member to participate.

Team Penning is a fun event for all ages of riders and all abilities of riding levels. Team sign-up takes place right before the event and everyone picks their own teams. If you don't have a team and want to try, there are folks who will team up with you.
